September 16, 2016

Gym completed

Aside from a couple of scoreboards that will be installed next week, our gymnasium is complete. We hold our first assembly there today! We suspect that this newly constructed area is going to be a huge hit with our students. It's beautiful!

Just Right Library Volunteers

Mrs. Mills is still looking for a volunteer for an hour in the morning on Monday's, beginning in October to check in books for our take home reading program. Her email is bmills@zps.org or call our office if you are interested.

Adams Curriculum Night

Please plan on attending Adams Curriculum Night for all grades, on Tuesday September 27, from 6-7pm held in your child's classroom. Look for more information to come home from your child's classroom next week.

Adams Lunchroom Help

We are still looking for help in our lunchroom and playground at noon. If you can only do one day, or would like to job share this, that would work too. Contact our office if you are interested.

Spartan Nash

If you shop at Spartan stores anyway, just save your receipt and send it to school with your child. It's that easy. We will be collecting those and sending them in all year. Thank you for helping us earning money for Adams!

Free Volleyball Clinic

For information about a free volleyball clinic at Hope College for all kids in grades 3-6 and other community events, please go to our ZPS community page here: <http://www.zps.org/community-page/>
