April 14, 2017

Adams Library News

Thank you to all who helped with our Spring book fair. We appreciate your help with setting up and taking down, working the cash register and shopping with our students. We couldn't do this without you!

Bust A Move Walking Club

We are off to a great start! On our first day, our students walked 1,287 laps. That equals to 321.75 miles and is 13 laps more than we did on our first day last year. Keep up the impressive work, Adams!

Crazy Coin Contest

We thank all who sent in spare coins for kids. Together we collected \$318.00 for the Children's Advocacy Center. Congrats to Mrs. Josephson's class who collected the most, with \$45.67 in coins.

4th grade Market

4th graders held their Market Day just before spring break. The money they earned by selling their items went towards their field trip to Greenfield Village, and they chose Hand 2 Hand food program to receive the remainder. Thank you for supporting this worthy organization!

Volunteer Appreciation

We think the world of our volunteers. Many hours are given by them, helping us in so many ways. Thank you! Please stop by the office in the next couple of weeks to pick up a small token of our appreciation.

Student Placement 2017/2018

If you have information you think might be relevant to your child's classroom assignment for the upcoming school year, a form is available in our office. Each year our staff gives a lot of time and thought to balancing class lists for the next year. We will use the form to make the best possible placement for your child. We ask that you do not request a specific teacher or friends, but allow us the discretion to make our best professional judgment. All forms must be completed by May 1, 2017. If you know there will be changes to your household, like a move or that your child will not be attending Adams in the fall, please notify our office at 748-3475.

Buddy Benches

Thank you to the Sligh family; Aaron, Jamielea & Deiken, (kindergarten student at Adams) owners of Great Lakes Recreation Company, for donating two Buddy Benches for Adams Elementary. We appreciate your generosity!
