

# ADAMS ELEMENTARY NEWSLETTER

NANCY BURK, PRINCIPAL

May 19, 2017

## Thank you!

The Adams Staff would like to thank our AFA ambassadors for putting together such a wonderful lunch in honor of Staff Appreciation Day. Not only was it delicious, but it was nice to all sit down together and enjoy lunch. Thank you to those who donated, helped organize and who supervised our playground for us. We loved it!

## Pass bus tags

All students that have bus tags will need to turn them in on or before the last day of school. Students that do not use their tags (walkers or parent transport) may turn them in to the office any time. Students that use their bus tags may give them to the bus driver on the last day. If you will not be riding on the last day, you may turn them in to our office. If your tag is not returned by June 9, unfortunately there will be a \$10.00 fee to replace it. All tags will be reassigned in the fall.

## 5th grade graduation

Our 5th grade graduation farewell will be held in our multipurpose room on Wednesday, June 7 at 2:30pm.

## Memorial Day Parade

All 1st-5th graders are invited to participate in the Memorial Day Parade on Monday, May 29. The parade begins at 9am. Information regarding the parade was sent home with students. Let us know if you did not receive it.

## Summer Stretch 2017

Reading is an Adventure! Our Summer Stretch program is going for a WILD change this year! Based on research, reading for enjoyment is our target goal for this summer. Instead of receiving a workbook to complete over the summer months, all current K through 4th grade students will be given two brand new, just right books to read throughout the summer. All students will attend a presentation about our new program during the week of May 30. Please be on the lookout for gallon sized ziplock bags containing their new books, and more information on how you can support your child over the summer. We are looking forward to this new adventure in summer reading!

## Field Day Help

We are still looking for a few more volunteers for our field day on June 9. Please see the sign up genius link in this email if you are interested in helping out. You may sign with a spouse or friend too!
