December 18, 2017

Child Responsibility Center

We implemented our new CRC room last week. This space is designed for students who are not in the classroom learning, are non-compliant and need a safe, quiet place to regain composure before they head back to the classroom. Please do not hesitate to reach out with any questions regarding this change.

Parenting with Love and Logic

We will be holding a Parenting with Love and Logic course here at Adams. This course will run 5-6 weeks on Thursday evening, 6-8pm, beginning March 1, 2018. Look for a sign up to come at the end of January. We will be offering free childcare as well. We hope you will be able to join us.

Spare Clothing

If you have any gently used tennis shoes that you would like to donate to Adams gym, we are in need a few pair. Occasionally kids forget to pack shoes and extra's are handy to have on hand for gym class. We are also looking for just a few pair (3-4) gently used boots in all sizes for those students who may arrive to school without. Please call before sending so we don't get an abundance of them.

Girls On The Run

As of today, there are still a couple of spots open at Adams if there are any girls in 3rd-5th grade that are interested. This after school program begins in March, and registration will close on December 31st. You may go to www.gotroac.org and click on "Register Now" tab.
