

AFA Ambassador Meeting Minutes

February 5, 2018

- Budget- Jen Baker
 - Field trip season is coming up and that means a lot of checks will be written.
 - Usually the transportation dept. will send the bill for all the field trips in August. This bill can hover in the 2 thousand dollar range. Jen has asked Amy Geerlings to give her a monthly tally on this bill so Jen can keep that number in her reports and doesn't blow the budget.
 - We have a \$25 per student average budgeted. The older grades do tend to use that plus some and the younger kids do not. Fourth and Fifth graders do fundraise for their overages.
 - Jen believed that the next school year was her last as treasurer, thus, she was looking for a replacement. However, upon review of the handbook she has two more years left. She is now contemplating whether or not to have the 18-19 year her last or finish the maximum term of 4 years. She will let us all know her decision soon.
