October 12, 2018

Mark Gronevelt, Principal

Fundraiser

Our fundraiser ends on Monday, so this is your last weekend to sell! If you would like to have a box sent home with your child today, let us know.

Adams Family Fun Night 2019

We are looking for help in a couple of specific areas yet, and neither of these are difficult. Our current volunteer coordinator is done after this year and we are looking to replace her. It would be really helpful if someone could follow her along this year. If you are interested in being a part of it, big or small, please email Mike Gordillo at mgordill@zps.org. We are also looking for a couple of people to run the Candy Walk game.

Arrival - From Mr. Gronevelt

It is hard to believe we are finishing our 6th week of school and it is exciting to see all the growth students are showing. Please allow for further growth by letting your child walk in by themselves. As a parent of two girls, I know this can be difficult. However, encouraging your child to become independent will help them on many levels this year. I am also encouraging you to leave your child here during lunch. Our lunchtime and recess time are key points in the day for children to build relationships and work on communication skills, gross motor skills and being a part of our school community. We appreciate your continued support and look forward to working together during this amazing school year.

Parking

We continue to need help with this. If you are walking up to our building to pick up or drop off your child, *please* park in the parking lot. The drive through is for dropping students off and not getting out of the car. This helps maintain student safety.

Thank you

Thank you to Catie Cordero, Author, Illustrator and Adams parent, for donating her new book, Superhero Levi to our library.

Artprize

Today is the last day to turn in your Artprize entry. We will begin voting next week.

Check out our lost items....look familiar?
